Good temperament is vital for any dog starting agility training and also beneficial for control classes. It should be able to mix freely with people and other dogs without showing aggression. If you have any kind of problem with either temperament or control we can usually offer advice or practical help.

It is essential that the club is advised of the problem at the time of application.

Please advise of any problems below or speak to a trainer.

I agree that to the best of my knowledge the information I have given is correct.

NB. As a Kennel Club registered club we do not train dogs under the age of 12 months in Agility.

Signature..... Date.....

Your name will be added to our waiting list and when a suitable training session becomes available we will contact you.

Please send or hand the completed form to-- Andrew Stone for control or Agility to Jean Lockett
